

N/A presents:

Pilot Deviations and Flying with the IPAD/Tablet Part III: New apps, tips and technology

Wings Credit events Be sure to sign in for credit.
Part 1) Ever received that dreaded phone call from ATC--"Call me when you land?" -- What should you do? How do you handle the ramp check? What if you get a violation letter from the FAA? Learn from the experts who represent pilots and the FAA talk about actual pilot deviations. How you can avoid them all together? What you should say and to whom? You don't want to miss this as it could save your ticket! Part 2) Also, the popular "Flying with the IPAD seminar" is back. Learn about the latest tools for both the IPAD and Android devices. We'll talk about Stratus and other ADS-B devices and apps like ForeFlight, Garmin Pilot, WingX, AOPA, and more. Tons of new features and technologies have come out since our last seminar (and more are on the way)- Get the latest and greatest right here! **The event ends with lunch. Call your friends and register in advance and sign-in at Indy Exec to get your WINGS credits.

Directions: Enter the main FBO entrance off the circle drive and look for directions to the Wings event.

A message from the National FAASafety Team Manager
